

**RACING
TO SCHOOL**

SHADWELL

Racing
Together

Today marks the launch of a year-round partnership between Shadwell Stud and the education charity Racing to School. Shadwell has kindly agreed to support a series of 12 Education days for young people at racecourses nationwide.

The first event brings the Year 5 pupils from Admirals Academy to Newmarket Shadwell day for a Maths Activity day. The group were lucky enough to visit Shadwell Stud in Thetford earlier this month and were given a unique behind the scenes tour of this world famous operation. Following the visit pupils were tasked with writing a poem to reflect the life, the sights and sounds of life at the stud. All the entries were creative and well-written but the judges awarded first place to:

SOPHIE CLARKE'S 'HORSEING AROUND'

*Clip clop as the horses trot
Down the stony road*

*The foal and the dam
Chasing the lambs*

Skipping as they go

*Stallions racing side by side
Keeping a watchful eye*

*As they race down the track
Like frightened cats*

Riders treating the others like foe

Race day is approaching

The tension is rising

*The trainer's keep pushing
Praying for a win*

Victory reigns for the blue and white team

Congratulations to Sophie who will today receive a specially made set of silks in the famous colours of HH Sheikh Hamdan Bin Rashid Al Maktoum.

The charity Racing to School is very grateful to Shadwell Stud for supporting our work inspiring young people.
